Soul Reading Report

* **Unknown ET Race - There are more than 144,000 species of ETs!** We are only testing and reporting a handful of those with the most known human interaction on Earth at this time.

** **Soul Merger:** This would be a soul that would have merged with the other ET souls before this lifetime (incarnated together), then decided to split off. The person will have a significant imprint from that now de-merged soul and have past life memories.

*****Soul Sister or Brother:** Means sharing a soul with someone else alive today.

******Soul destiny partners:** Any entity you have made a contract with to help heal during this lifetime. They can be human, ET, or disincarnate beings. Note this is not related to any romantic partner. See the command to read out loud if you test as having any soul destiny partners.

*******Gender twin:** A gender twin or twin flame means a compatible romantic relationship in this lifetime with another human who shares the same oversoul as you.

Soul Destiny Partner Command - Spoken out loud:

I command Source that where it is for the highest and greatest good of all involved, to fulfill all my soul contracts, send healing love and light to all soul destiny partners, and I request all soul destiny partners to release me now from all contracts with speed ease and grace, thank you and so it is. I command source to nullify and release me from all contracts with any Soul destiny partners where fulfilling the agreed contract is not in the highest and greatest good for all involved in all directions of time in all timelines where I exist.

Thank you and so it is.

If Source Team is Not 100% LLTW

Non-Portal members must use the Field Clearance meditation twice per day or do the Source Command, morning and evening to clear Source Team.

Source Team Clearance Command - Spoken out loud:

I command Source that anything less than 100% Light Love and Truth be blessed, healed and removed from my Source team and Telepathic Channel. Only those beings that are 100% aligned with Divine Love, Light and Truth are permitted to be in Source my team and telepathic channel, in all directions of time in all timelines where I exist, with ease, speed and grace.

Thank you and so it is.
