Soul Reading Report

* **Attachments or Psychic channel interference:** if you have attachments we recommend the Field Clearance Meditation twice per day (available free on YouTube Channel). This will NOT clear a psychic channel infiltration. To clear a psychic channel, disengagement with any consciousness communication is required, daily 100% grounding is needed to keep a psychic channel clear.

** **Soul Merger:** ET (not human) souls can merge before birth and incarnate together. Souls merge, incarnate in a human life then may decide to split off after death. Previous split off souls will leave a significant imprint on the current soul and access to past life memories from that prior soul merger are still available to the current soul even if the soul split off before birth in this lifetime.

*****Soul Sister or Brother:** Means sharing a soul with someone else alive today. This is not necessarily a romantic relationship, but there would be a relationship affinity.

******Soul Destiny Partners:** Means you had a soul contract and agreed to help a being or entity when you incarnated this lifetime. This entity won't be another human; it will be a disincarnate soul of a being that has passed on, or it could be a demon or an ET. This is not a karmic contract. Only relevant for humans with ET souls. If you have any, you'll want to fulfill or clear your agreement. See the command below to read out loud if you test as having any soul destiny partners.

*******Gender twin:** A gender twin or twin flame means a compatible romantic relationship in this lifetime with another human who shares the same oversoul as you.

Soul Destiny Partner Command - Spoken out loud:

I command Creator Being that where it is for the highest and greatest good of all involved, to fulfill all my soul contracts, send healing love and light to all soul destiny partners, and I request all soul destiny partners to release me now from

*all contracts with speed ease and grace, thank you and so it is. I command Creator Being to nullify and release me from all contracts with any Soul destiny partners where fulfilling the agreed contract is not in the highest and greatest good for all involved in all directions of time in all timelines where I exist.
Thank you and so it is.*

If Source Team is Not 100% LLTW

Non-Portal members must use the Field Clearance meditation twice per day - morning and evening to keep their Source Team clear of entity attachments.
